2022 Wyoming Cybersecurity for Small Business Competition

INTENT TO PARTICIPATE

I, _____, representing _____
(Print Name and Title) (Business Name)

of _____ intend to participate in the
(Address, City, State, Zip)

2022 Wyoming Cybersecurity for Small Business Competition. I understand the below requirements of the competition.

Requirements:

- **Initial meeting, video session, or conference call with Made Safe in Wyoming staff to review a cybersecurity for small business/organization checklist.**
 - **Documents the current situation versus meeting best practices in cybersecurity.**
- **Monthly follow up calls with Made Safe in Wyoming staff to continue to document cybersecurity efforts.**
- **Approval of final story of the cybersecurity journey to be submitted to the judges.**

NOTE: if your business would like to use the Made Safe in Wyoming® logos, then one of the Made Safe Members (tech companies) will have to review, double check, and sign off on a provided checklist form. This is not a free service and pricing ranges from \$75-\$250, to be paid directly to the Member tech vendor.

Made Safe in Wyoming Program Staff agrees that all Business information remains confidential.

Definition of Confidential Information: Any information provided by the Business concerning business, technology, and information of the Business including business records and plans, trade secrets, technical data, product ideas, contracts, financial information, pricing structure, discounts, computer programs and listings, source code and/or object code, copyrights and intellectual property, inventions, sales leads, strategic alliances, partners, and customer and client lists. The nature of the information and the manner of disclosure are such that a reasonable person would understand it to be confidential.

Protection of Confidential Information. Made Safe in Wyoming Program understands and acknowledges that the Confidential Information has been developed or obtained by the Business by the investment of significant time, effort and expense, and that the Confidential Information is a valuable, special and unique asset of the Business which provides the Business with a significant competitive advantage, and needs to be protected from improper disclosure. In consideration for the receipt by the Made Safe in Wyoming Program and CyberWyoming of the Confidential Information, the Staff of the Made Safe in Wyoming Program agree as follows:

- a. **No Disclosure.** Made Safe in Wyoming Program Staff will hold the Confidential Information in confidence and will not disclose the Confidential Information to any person or entity without the prior written consent of the Business.
- b. **No Copying/Modifying.** Made Safe in Wyoming Program Staff will not copy or modify any Confidential Information without the prior written consent of the Business.
- c. **Unauthorized Use.** CyberWyoming shall promptly advise the Business if the Staff of the Made Safe in Wyoming Program becomes aware of any possible unauthorized disclosure or use of the Confidential Information.

CyberWyoming administers the Made Safe in Wyoming Program.

Mission: Helping Wyoming businesses distinguish themselves to their customers as Made Safe Businesses by reducing their risk of cyber attack via the creation of partnerships with vetted Wyoming technology companies.
